Subject: Agreed Order For Resumption Of Remedial Investigation And Feasibility Study

Gloria:

Attached is my response to the Agreed Order For Resumption Of The Remedial Investigation Feasibility Study (the "Agreed Order").

National Oil Recovery Corporation, as you will see, has legitimate questions and concerns regarding some of the items set out in the Agreed Order.

I am fully aware of Mr. Coleman's admonition of "no whining," but to properly represent my client I needed to raise the issues set out in my response.

Look forward to your comments.

P.S. Since dictating the above, I received from Mr. Halasz a copy of his e-mail to Mr. Moore, which addresses the “timing” issue raised in my response. I’ve also attached a copy of Mr. Halasz’s email.
